Sorry - Unwritten Law

Afraid it comes to this

I really must admit

your tits, your eyes, your lips are staring at me

I'm drooling at the chin

I need to be within

her skin, I want to sin she stops me and she says

slow down boy, I not easy

don't wanta be a sleazy whore

so I showed her to the door

overabundance

and I'm not sorry

and girl, you look so good

I really think we should,

your hood with me, I would so let's get started

I know I can't resist

I reach over for a kiss,

I miss, she ducks, I wish she gets up and she says

slow down boy, I not easy

don't wanta be a sleazy whore

so I showed her to the door

overabundancy

and I'm not sorry

Then there she was in front me

and is very plain to see

she had this gleaming in her eye

told me that she's down for the crime

took me and threw me on the floor

as she screamed and begged for more

she said

I'm not sorry

No, I'm not
