looking into your eyes
i see all i want to be
i don't want it to end
if i could only put to words the way
i see you
i only know i have an angel with me now
and when i fall asleep
you're all that i see
you're in my thoughts
and all of my prayers
i wish i could be
all that you mean to me
my angel without wings
my angel
i wish you could see
all that you mean me
but i can never find the words
to tell you
and when i fall asleep
you're all that i see
you're in my thoughts

and all of my prayers
i wish i could be
all that you mean to me
and when i fall asleep
you're all that i see
you're in my thoughts
and all of my prayers
i wish i could be
all that you mean to me
my angel without wings
