Tonight
Everything but me
Taken out to sea
All gone

A wish
Written in the sand
Washed away tomorrow
This time

Look what I've become
Didn't run, run from what you done
Didn't hide behind the sun

And I
Wanted everything
Thought that you could bring me
Daylight

A dream
Burning in the sky
Leaves my spirit dry
And you lied

Now look what I've become
Didn't run, run from what you done
Didn't hide behind the sun

Couldn't run, lost in what you done
Look what I've become

This time

Look what I've become
Didn't run, run from what you done
Didn't hide behind the sun

Couldn't run, lost in what you done Look what I've

become
