Why should it be
Someone like me
Could make the same mistakes again

Haven't I learnt
People get hurt
When they go diving in the deep end
In the deep end
In the deep end
In the deep end

Thought I was smart
Controlling the art
Of turning off my intuition

Havent I seen
Since I was fourteen
That life is all just repetition

You lose or you win
You sink or you swim
When you go diving in the deep end
In the deep end
In the deep end
In the deep end

Now it's time to realise
You don't have to agonise
You don't have to compromise
But the one thing you must do
Is open your eyes
Your eyes
Your eyes

Why should it be
Someone like me
Could make the same mistakes again

Havent I learned
People get hurt
When they go diving Diving Diving Diving
