The sky has fallen on my yesterday
I watch my moon and blue sun slip away
Everybody's asking questions
Everybody's wanting more
Every time I catch myself I, fall

And it's why you ask me
And it's why I, I don't know
And I try to pull myself together
I don't want to go home
(Slip away)

The little girl has lost her way today
The tables turning on the game she plays
Everybody's asking questions
Everybody's wanting more
Every time I catch myself I, fall

And it's why you ask me
And it's why I, I don't know
And I try to pull myself together
I don't want to go home
(Slip away)

Every time I catch myself I, fall

And it's why you ask me
And it's why I, I don't know
And I try to pull myself together
I don't want to go home

And it's why you ask me
And it's why I, I don't know
And I try to pull myself together
I don't want to go home

And it's why

(Slip away)
Every time I catch myself I, fall
Fall
(Slip away)
Every time I catch myself I, fall
(Slip away)
Fall
(Slip away)
Fall
(Slip away)
Every time I catch myself I, fall (Slip away) Every time I
catch myself I, fall
