Puttin' a pistol to my brain, one second before I

A gangster, I'm a put myself on my knees, I'm to many

Sick, of feelin' depressed, and I'm stressed out like a

I can't even rest, I smoke weed, drink liquor just to
ease the pain
They used to tell me that God was cryin' whenever it'd
rain, I
Grew up without my momma and my father, just me
and my sisters, and
They split us all up with the foster, I've been molested
and I learnt
About love, I don't respect women, now I'm just sinnin',
nigga row
I'm livin', how long may this survive like this, if it's
Heaven and
The Abyss you will fry to the crisp now drinkin', and
drinkin' and drinkin'
And smokin' and smokin' and thinkin' and thinkin' want
a little bit
More and more a my mind still slip a, it's ridical can't
take it, come on
