

Three Dog Night "An Old Fashion Love Song"

Just an old fashioned love song
Playing on the radio
And wrapped around the music
Is the sound of someone promising, they'll never go

You'll swear you've heard it before
As it slowly rambles on and on
No need in bringing 'em back
'Cause they've never really gone

Just an old fashioned love song
One, I'm sure they wrote for you and me
Just an old fashioned love song
Coming down in three part harmony

To weave our dreams upon
And listen to each evening when the lights are low
To underscore our love affair
With tenderness and feeling that we've come to know

You'll swear you've heard it before
As it slowly rambles on and on
No need in bringing 'em back
'Cause they've never really gone

Just an old fashioned love song
Coming down in three part harmony
Just an old fashioned love song
One, I'm sure they wrote for you and me
