The ink is black  
The page is white  
Together we learn  
To read and write.

A child is black  
A child is white  
The whole world looks  
Upon the sight  
A beautiful sight.

And now a child  
Can understand  
That this is the law  
Of all the land  
All the land.

The world is black  
The world is white  
It turns by day  
and then by night.

A child is black  
A child is white  
Together they grow  
To see the light  
To see the light.

And now at last  
We plainly see  
They'll have a dance  
Of Liberty  
Liberty.

The world is black  
The world is white  
It turns by day  
And then by night.  
A child is black  
A child is white  
The whole world looks  
Upon the sight

A beautiful sight.

The world is black  
The world is white  
It turns by day  
And then by night.

A child is black  
A child is white  
Together they grow  
To see the light  
To see the light.

The world is black  
The world is white  
It turns by day  
And then by night.

A child is black  
A child is white  
Together they grow  
To see the light  
To see the light  
Come on  
Get it  
Get it  
OOOhh ya  
Ya  
Keep it up now  
Around the world  
Little boys  
Little girls  
Yaaa.
