

Three Dog Night "Chest Fever"

Well, I know she's a tracker, any scarlet would back her
And they say she's a chooser but I just can't refuse her
She was just there but then she can't be there no more
And as my mind unweaves, I feel the freeze down in
my knees
But just before she leaves, she receives

She's been down in the dunes and she's dealt with the
goons
Now she drinks from the bitter cup, I'm trying to get her
to give it up
She was just here, I fear she can't be there no more
And as my mind unweaves, I feel the freeze down in
my knees
But just before she leaves, she receives

It's long, long when she's gone, I get weary holding on
Now I'm coldly fading fast, I don't think I'm gonna last
very much longer

"Well she's stoned", said the Swede and the moon calf
agreed
I'm like a viper in shock with my eyes in the clock
She was just there somewhere and here I am again
And as my mind unweaves, I feel the freeze down in
my knees
But just before she leaves, she receives
