Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah

Who am I to turn to? Who is gonna know  
Everything that's hiding way down in my soul?  
I got to find someone show me to the light  
'Cause I've been spending too much time, hiding in the  
night

Come on and lay me down easy soft and low, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah

Faces keep on changing but the spirit stays the same  
Every human being I know playing some silly game  
I dreamt I saw a beacon, lighting up the way  
A kind and thoughtful person, walked up to me and  
said

?Do you love me, love me way down to your soul, yeah?  
Yes, I love you, I love you that's all you need to know  
Yeah, yeah, yeah, yeah, yeah, yeah  
Lay me down easy, lay me down easy  
Lay me down easy soft and low

Who am I to turn to? Who is gonna know  
Everything that's hiding way down in my soul?  
I dreamt I saw a beacon, lighting up the way  
A kind and thoughtful person, walked up to me and  
said

?Come on and lay me down easy soft and low, yeah"  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah

Yeah, yeah, ooh  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah
