Ain't no two ways about it

I just can't live without ya

Let's get together

I can't wait forever

Here I am, take my hand

I'm your man

Ain't no two ways about it

I just got to shout

Let's get together

I can't wait forever

Here I am, take my hand

I'm your man

Baby, let me be your one man band

Your one man band

Baby, let me be your one man band

Your one man band

I just wanna be your one man

Your one man band

I just wanna be your one man

Your one man band

I just wanna be

I just wanna be

I just wanna be your one man band

I just wanna be

I just wanna be

I just wanna be your one man band

I just wanna be

I just wanna be

I just wanna be your one man band

I just wanna be

I just wanna be

I just wanna be your one man band...
