(Paul Williams/Roger Nichols)

Whenever I need to leave it all behind  
Or feel the need to get away  
I find a quiet place, far from the human race  
Out in the country  
Before the breathin' air is gone  
Before the sun is just a bright spot in the nighttime  
Out where the rivers like to run  
I stand alone and take back somethin' worth  
rememberin'  
Whenever I feel them closing in on me  
Or need a bit of room to move  
When life becomes too fast, I find relief at last  
Out in the country  
Before the breathin' air is gone  
Before the sun is just a bright spot in the nighttime  
Out where the rivers like to run  
I stand alone and take back somethin' worth  
rememberin'  
Before the breathin' air is gone  
Before the sun is just a bright spot in the nighttime  
Out where the rivers like to run  
I stand alone and take back somethin' worth  
rememberin'  
Before the breathin' air is gone  
Before the sun is just a bright spot in the nighttime  
Out where the rivers like to run  
I stand alone and take back somethin' worth  
rememberin'  
Before the breathin' air is gone  
Before the sun is just a bright spot in the nighttime...  
I stand alone...
