Have you seen the sunlight pouring through her hair
And felt her warm mouth on ya in the summer's air?
Running in a field of brown, laughing, rolling on the
ground now
Smiling as she pulls you down
That's the way she feels about you
That's the way she feels about you

If your dreams should wake you, shaking in the night
She can touch your face and take away all fright
Like a tree in a meadow wind, she will bend to take you
in
Makes no difference where you been
That's the way she feels about you
That's the way she feels about you, yeah

If you wake up screaming, scared about what you're
dreaming
You know she is there, she can share
You're aware she cares about you
In the morning, wake up laughing with the day
She will smile and ask you with her eyes to stay

Like the sunshine warms the sand
She will touch you with her hand now
Touching makes you understand
That's the way she feels about you
That's the way she feels about you
Laa, laa, laa, laa, laa, laa, laa, laa, laa, laa, laa, laa

If you wake up screaming, scared about what you're
dreaming
You know she is there, she can share
You're aware she cares about you
In the morning, wake up laughing with the day
She will smile and ask you with her eyes to stay

Like the sunshine warms the sand
She will touch you with her hand now
Touching makes you understand
Oh, that's the way she feels about you
That's the way she feels about you, yeah

That's the way she feels about you
That's the way she feels about you
