Carry me away  
I know your angel eyes can see through me  
Carry me away  
Far from the love you give so generously  
So generously

Woman, woman, I got a burning heart  
I need to call and tell you that's its you that I love  
I've got a burning heart  
I need to tell you that's its you that I love

I've got a burning heart  
I need to tell you that I'll never get enough, yeah  
Never, never, never, never, never, never  
Never get enough woman

Woman, I know you understand  
The way that I feel, feel can't you hear me?  
I'm a callin' your name  
I want to make love to you

Lord, oh Lord, I want to hold you so much  
Let me feel all about ya  
Woman and I got a woman  
Let me make love to you

Woman I love ya  
Woman oh no, no, no, no  
Woman oh, no  
Woman  
(Carry me away, carry me away)  
Woman, carry me away
