[Nas]  
First of all this is Nas I'ma Braveheart veteran  
And y'all already know who I'm better than  
Y'all know the beef in the hood it'll never end

Never hit the club unless I get's my berretta in  
The letter N, short for Nasir  
More drama than the President with North Korea  
Gettin Krunk wit Lil Jon, he da livest in the south  
Fuck around and you get wires in your mouth  
Cowards I despise and my power keeps on risin  
Niggas try to hate me but they keep recognizin  
Who's the next label I'ma bury  
CEO's, rappers and A&R's go to the rap cemetary  
And ya all got guns but ya scared to use 'em  
Six million ways to die, nigga choose one  
I'm a Braveheart I'll be right here  
Y'all talk shit but I smell fear, motherfucker!

[Chorus]

[Jungle]

Ay yo, all these niggas they afraid of the Bravehearts  
I'll take a razor open your face up  
I tried to tell these niggas we don't play  
I run up on you broad day with a A-K  
Cornball I can make your heart beat stop  
Pop pop your body drop from a couple shots  
When you see me in the street, we can handle the beef  
If you see me in jail you know you dead meat  
I be fighting and stabbin, shooting and laughing  
My ratchet blast on top of you bastards  
Committing sins in Cincinnati  
We'll drive by in all black caddy's  
A 21 gun salute  
Your last words be, please Jungle don't shoot  
Pussy, I'll put a slug between your eyes  
And stand there and watch your punk ass die

[Wiz]

I'm fuckin' wit them, Bravehearts  
My niggas is coming we just don't stop  
Yall niggas is running I'm just goin pop  
I twist up my gun up and slap your mouth  
With Lil John down south  
My religion is green motherfucker too late  
Since birth, I'm cursed, the worst motherfucka in da  
state  
Time and time again you niggas back down, laugh now  
Fuck ya numbers nigga ya'll all fake  
The hunt is on, fuck if I'm wrong, test my dead arm  
Robbery, heavily armed, might leave him gone  
Bang him duff him, actin like he don't know what's  
going on  
Hang em' rush em' get his clown ass his teammates  
wrong

And oh he got a 22, give him the gauge the brave way  
God aint going to save his bitch ass today  
Wait I'ma Braveheart I'll be right here  
Y'all talk shit but I smell fear, mothafuckas!

[Chorus]
