(Jimmy Driftwood)

-Solo-

When I take my vacation in the hills  
I go eating where it really got the thrills  
Cornbread, pone and lime of beans  
Butter, milk and turnip greens  
When I take my vacation in the hills  
When I take my vacation in the hills

-Solo-

Gonna catch a great big catfish by the gills  
Going hunting, with that good old dog of Bill  
Eat that hock or berry pie  
Drink that good old mountain rye  
When I take my vacation in the hills  
When I take my vacation in the hills

-Solo-

When I paddle my canoe by rippling rills  
You can bet your life, I'm gonna get some stills  
Ev'ryone would be surprised  
If I didn't get baptised  
When I take my vacation in the hills  
When I take my vacation in the hills

-Solo-

Gonna run around with all the Jacks and Gills  
Gonna go a-courtin' in the damp o' dales  
Maybe I will get the play with little Abner's Daisy May  
When I take my vacation in the hills  
When I take my vacation in the hills

-Solo-

When they play that mountain music in the hills  
In the land of mocking birds and whippoorwills

Ev'ry night I'll do-si-do on the banks of the Buffalo  
When I take my vacation in the hills  
When I take my vacation in the hills
