Ohh yeah
Ohh yeah

You said I had something to say
Then you got that look in your eye
There is something you've got to know
You said it as you started to cry

I've been down the wrong road tonight
And I swear I'll never go there again
I've seen this face once before
And I don't think I can do this again

There's something I can't see
Something living in the way you smile
Behind those eyes you lie
And there's nothing I can say
Cause I'm never gonna change your mind
Behind those eyes you hide

As you turned to walk away
I saw another look in your eye
And even though it hurt like it did
I couldn't let this be a goodbye

You say that your sorry
And you say that it hurts you the same
Is there something here to believe
Or is it just another part of the game?

There's something I can't see
Something living in the way you smile
Behind those eyes you lie
And there's nothing I can say
Cause I'm never gonna change your mind
Behind those eyes you hide

Ohh yeah
Ooooooo
Ohh woah

Behind those eyes you lie

Behind those eyes you hide

There's something I can't see
Something living in the way you smile
Behind those eyes you lie
And there's nothing I can say
Cause I'm never gonna change your mind
Behind those eyes you hide

There's nothing I can say
That's ever gonna change your mind
Behind those eyes you hide

Behind those eyes you lie
