I'm not supposed to be scared of anything but I don't
know where I am
I wish that I could move but I'm exhausted and nobody
understands
I'm tryin' hard to breathe now but there's no air in my
lungs
There's no one here to talk to and the pain inside is
making me numb

I try to hold this, under control
They can't help me, 'cause no one knows

Now I'm going through changes, changes
God I feel so frustrated lately
When I get suffocated save me
Now I'm going through changes, changes

I'm feelin' weak and weary walkin' through this world
alone
Everything I say, every word of it, cuts me to the bone
I've got something to say but now I've got nowhere to
turn
It feels like I've been buried underneath all the weight
of the world

I try to hold this, under control
They can't help me, 'cause no one knows

Now I'm going through changes, changes
God I feel so frustrated lately
When I get suffocated save me
Now I'm going through changes, changes

I'm blind and shaking, bound and breaking
I hope I make it through all these changes

Now I'm going through changes, changes
God I feel so frustrated lately
When I get suffocated save me
Now I'm falling apart now I feel it

But I'm going through changes, changes

God I feel so frustrated lately
And I get suffocated I hate this
But I'm going through changes, changes
