Well I took a walk around the world to ease my troubled  
mind

I left my body lying somewhere in the sands of time  
But I watched the world float to the dark side of the  
moon

I feel there is nothing I can do, yeah

I watched the world float to the dark side of the moon  
After all I knew it had to be something to do with you  
I really don't mind what happens now and then  
As long as you'll be my friend at the end

And if I go crazy then will you still call me Superman?  
If I'm alive and well, will you be there holding my hand?  
I'll keep you by my side with my superhuman might  
Kryptonite

You call me strong, you call me weak  
But still your secrets I will keep  
You took for granted all the times  
I never let you down

You stumbled in and bumped your head  
If not for me then you'd be dead  
I picked you up and put you back on solid ground

If I go crazy then will you still call me Superman?  
If I'm alive and well, will you be there holding my hand?  
I'll keep you by my side with my superhuman might  
Kryptonite

If I go crazy then will you still call me Superman?  
If I'm alive and well, will you be there holding my hand?  
I'll keep you by my side with my superhuman might  
Kryptonite, yeah

If I go crazy then will you still call me Superman?  
If I'm alive and well, will you be there holding my hand?  
I'll keep you by my side with my superhuman might  
Kryptonite
