It's like jumpin  
It's like leapin  
It's like walkin on the ceilin  
It's like floatin  
It's like flyin through the air  
It's like soarin  
It's like glidin  
It's a rocket ship you're ridin  
It's a feelin that can take you anywhere

So why they call it fallin  
Why they call it fallin  
Why they call it fallin  
I don't know

There was passion  
There was laughter  
The first mornin after  
I just couldn't get my feet to touch the ground  
Every time we were together  
We talked about forever  
I was certain it was Heaven we had found

So why they call it fallin  
Why they call it fallin  
Why they call it fallin  
I don't know

But you can't live your life  
Walkin in the clouds  
Sooner or later  
You have to come down

It's like a knife  
Through the heart  
And it all comes apart  
It's like someone takes a pin to your balloon  
It's a hole  
It's a cave  
It's kinda like a grave  
When he tells you that he's found somebody new

So why they call it fallin  
Why they call it fallin  
Why they call it fallin  
I don't know

Ooh, why they call it fallin  
Why they call it fallin  
Now I know
