I found him by the railroad track this morning
I could see that he was nearly dead
I knelt down beside him and I listened
Just to hear the words the dying fellow said

He said they let me out of prison down in Frisco
For ten long years I've paid for what I've done
I was trying to make it back to Louisiana
To see my Rose and get to know my son

Give my love to Rose please won't you mister
Give her all my money, tell her to buy some pretty
clothes
Tell my boy that daddy's so proud of him
Now don't forget to give my love to Rose

Won't you tell them I said thanks for waiting for me
Tell my boy to help his mom at home
Tell my Rose to try and find another
Cause it ain't right that she should live alone

Mister here's a bag with all my money
It won't last them long the way it goes
God bless you for finding me this morning
Now don't forget to give my love to Rose

Give my love to Rose please won't you mister
Give her all my money, tell her to buy some pretty
clothes
Tell my boy that daddy's so proud of him
Now don't forget to give my love to Rose
[x2]

Please don't forget to give my love to Rose
