"Afraid To Commit"

Visit "[Afraid To Commit](#)" on MotoLyrics.com

Afraid to commit
Afraid to decide
Just scared to go for the ride
Not sure of what could come
It's not even my big endeavor

Down below
In the ground
I sink
I'm gone
Into the middle
Out of this space
These feelings aren't placid
its just so self-possessed

afraid to commit
afraid to decide
just scared to go for the ride
not sure of what could come
its not even my big endeavor

hush yourself to sleep
don't speak another word
don't think 'bout today
tranquilized in the world
coming to peace with my words

Soar above the sky
Soar above us all
Open your eyes
Release your day
Try to execute
Try to deliver
Just try to commit

Yeah, yeah
Afraid to commit
