I never got to say my true goodbye,
I guess you'll never know,
My true feelings hid from you,
Hidden from the world,
Walking in silence,
Missing every word,
Caught up in you,
Caught up in the wrong way

Come take me away,
Make these words become peaceful,
Cuz now I'm disastrous to this sound,
I feel so unsuccessful,
I feel like breaking down

I shouldn't be this attached,
But you're so remote,
So far gone,
I should be moving along,
But all you've become is my lullaby song...
