To hold you in my arms,
That is my dream,
To keep you near,
Just to make sure you never disappear,
But it's too late for that,
You're gone and I can't hold back,

Wishing you were here,
Wanting you to hold me close,
Like before,
Laughing so hard,
We were on the ground

Not realizing then,
What I know now,
Looking to find you,
You're nowhere to be found,
I turn my head,
Hoping your there,
But only in my mind,
Do I see your sweet smile
