Take a girl like that
And put her in a natural setting
Like a cafe for example
Along comes the boy
And he's looking for trouble
With a girl like that
With a girl like that
Who knows what they'll decide to do
Who knows what they'll get up to
I'd love to know
Wouldn't you?
I love to listen to Beethoven...
You think you know just what you want
But you have used that weapon against me
Did I tell you I was lying by the way
When I said I wanted a new mink coat
I was just thinking about
Something sleek
To wrap around my tender throat
I was dreaming like a Texan girl
A girl who thinks she's got the right to everything

A girl who thinks she should have

Something extreme

I love to listen to Beethoven
