The beauty that you gave  
Has turned upon itself  
And all the things you said  
Evaporated, evaporated

Was I blind  
Deaf and dumb  
To the words slipped  
From your tongue?

Honestly  
(Alone in my bed)  
Honestly  
(The things that you said)  
Honestly  
(Go round in my head still)

Honestly  
(It seems to be true)  
Honestly  
(That nothin' I do)  
Honestly  
(Can influence you)

(I tried and tried again)  
Don't you know I tried and tried again  
To make you listen to me  
But everything I said it always seemed to go right  
through you  
(To make you notice me)  
I turned myself into a person that I didn't like  
But please believe me when I say, "I know it wasn't  
right"

(But talking to myself)  
I never thought that things would get to be so  
complicated  
I never thought that you and me would end up so  
frustrated  
(Won't catch you attention I see)  
You'd think that something had to come from all those  
good intentions

But in the end I needed something more than  
intervention

Was I mad?  
Foolish me  
To succumb  
So easily

Honestly  
(Alone in my bed)  
Honestly  
(The things that you said)  
Honestly  
(Go round in my head still)

Honestly  
(It seems to be true)  
Honestly  
(That nothin' I do)  
Honestly  
(Can influence you still)

Fools like me  
Get so easily taken  
But fools like me  
Can be so mistaken

Honestly  
Honestly  
Honestly

(The promise that you gave)  
Don't you know the promise that you gave just turned  
it's back upon me  
I stopped believing but you couldn't take the whole  
thing from me  
(Has turned it's back)  
I never thought I'd have to pay the price to set you free

(And all you represented was just my projection you  
see)  
You know I never thought I'd ever live a day without you  
And that's the reason why it makes me sad to think  
about you  
And you know I never thought I'd make it if you wasn't  
there  
And now I'm tryin' to eject myself from this despair

People come  
People go  
Never say

"I told you so"

Honestly  
(Alone in my bed)  
Honestly  
(The things that you said)  
Honestly  
(Go round in my head still)

Honestly  
(It seems to be true)  
Honestly  
(That nothin' I do)  
Ya, honestly  
(Can influence you)

"Honestly", I said  
(Alone in my bed)  
Honestly  
(The things that you said)  
Honestly  
(Go round in my head still)

Told you honestly  
(It seems to be true)  
I said, "Honestly"  
(That nothin' I do)  
Honestly  
(Can influence you)

Everything I know you said  
Goin' round inside my head  
Never thought I'd see the day  
Always got a price to pay  
Nothin' that I ever do  
Ever seems to get to you
