What's cute about little cutie?  
It's her beauty, not brains  
Old father time will never harm you  
If your charm still remains

After you grow old baby  
You don't have to be a cold baby

Keep young and beautiful  
It's your duty to be beautiful  
Keep young and beautiful  
If you want to be loved

Don't fail to do your stuff  
With a little powder and a puff  
Keep young and beautiful  
If you want to be loved

If you're wise, exercise all the fat off  
Take it off, off of here, off of there  
When you're seen anywhere with your hat off  
Wear a Marcel wave in your hair

Take care of all those charms  
And you'll always be in someone's arms  
Keep young and beautiful  
If you want to be loved

If you're wise, exercise all the fat off  
Take it off, off of here, off of there  
When you're seen anywhere with your hat off  
Wear a Marcel wave in your hair

Keep young and beautiful  
It's your duty to be beautiful  
That's right girl  
Keep young beautiful  
If you want to be loved

Keep young and beautiful  
If you want to be loved
