Well I was born an original sinner  
I was borne from original sin  
And if I had a dollar bill  
There'd be a mountain of money  
Piled up to my chin...  
My mother told me good  
My mother told me strong  
She said "be true to yourself  
And you can't go wrong."  
"But there's just one thing  
That you must understand:  
You can fool with your brother  
But don't mess with a missionary man."  
Don't mess with a missionary man  
Don't mess with a missionary man  
Well the missionary man  
He's got God in his side  
He's got the saints and apostles  
Backin' up from behind  
Black eyed looks from those Bible books  
He's a man with a mission  
Got a serious mind  
There was a woman in the jungle  
And a monkey on a tree  
The missionary man he was followin' me  
He said "Stop what you're doing  
Get down upon your knees  
I've a message for you that you better believe."
