Put A Little Love In Your Heart
Annie Lennox & Al Green

Think of your fellow man
Lend him a helping hand
Put a little love in your heart

You see it's getting late
Oh please don't hesitate
Put a little love in your heart
And the world will be a better place
And the world will be a better place
For you and me
You just wait and see

Another day goes by
And still the children cry
Put a little love in you heart
If you want the world to know
We won't let hatred grow
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you and me
You just wait and see
Wait and see

Take a good look around
And if you're lookin' down
Put a little love in your heart
I hope when you decide
Kindness will be your guide
Put a little love in your heart
And the world will be a better place
And the world will be a better place
For you and me
You just wait and see
Put a little love in your heart
Put a little love in your
Love in your heart
