Words of power are killing me
While the sun displays its teeth
All mockery is laughing
All violence is cheap
She said,
"These are my guns
These are my furs
This is my living room
You can play with me there sometimes
If you catch me in the mood"

Savage
You savage
She said,
"I have this unhappiness
To wear around my neck
It's a pretty piece of jewellery
To show what I protect"
She said,
"Everything is fiction

All cynic to the bone

So don't ask me to stay with you

Don't ask to see me home"
