Well c'mon darlin'
The stars are burning bright
C'mon now darlin'
Our luck is good tonight
'Cause we're the all time winners
In the all time loser's game
Yeah we're the all time winners
And here we go again
The king & queen of America
Yeah it's the king of nothing
And the queen of rage
With a pile of confusion
Upon a glittering stage
You know we never did anything
To make ourselves feel proud
You know we never did anything
So let's play it loud
Let's hear it for the
King & queen of America
So c'mon darlin'
There's a big moon in the sky

So c'mon darlin'
We're gonna build a little satellite
We're gonna make it fly
We're gonna send it up to heaven
All the way up to the stars
And all of them aliens
Are gonna find out who we are
We're talkin' 'bout the
King & queen of America
