They say you stand  
By your man  
Tell me something  
I don't understand

You said you loved me  
And that's a fact  
And then you left me  
Said you felt trapped

Well, somethings you can explain away  
But the heartache's with me till this day

Did you stand by me?  
No, not at all  
Did you stand by me?  
No way

All the times  
That we were close  
I remember  
These things the most

I've seen all my dreams  
Come tumblin' down  
I can't be happy  
Without you around

So alone I keep the wolves a bay  
And there's only one thing I can say

You didn't stand by me  
No, not at all  
You didn't stand by me  
No way

You didn't stand by me  
No, not at all  
You didn't stand by me  
No way

You must explain

Why this must be?  
Did you lie  
When you spoke to me?

Did you stand by me?  
No, not at all

Now I got a job  
But it don't pay  
I need new clothes  
I need somewhere to stay

But without all these things I can do  
But without your love  
I won't make it through

But you don't understand my point of view  
I suppose there's nothing I can do

You didn't stand by me  
No, not at all  
You didn't stand by me  
No way

You didn't stand by me  
No, not at all  
You didn't stand by me  
No way

You must explain  
Why this must be?  
Did you lie  
When you spoke to me?

Did you stand by me?  
No way  
Did you stand by me?  
No, not at all
