Underneath your dream lit eyes  
Shades of sleep have driven you away  
The moon is pale outside  
And you are far from here

Breathing shifts your careless head  
Untroubled by the chaos of our lives  
Another day, another night  
Has taken you again my dear

And you know that I'm gonna be the one who'll be there  
When you need someone to depend upon

When tomorrow comes  
Wait 'til tomorrow comes, yeah, yeah  
When tomorrow comes  
Wait 'til tomorrow comes, yeah, yeah

When tomorrow comes  
Wait 'til tomorrow comes, yeah, yeah  
When tomorrow comes  
Wait 'til tomorrow comes, yeah, yeah

Last night while you were lying in my arms  
And I was wondering where you were  
You know you looked just like a baby  
Fast asleep in this dangerous world

And every star was shining brightly  
Just like a million years before  
And we were feeling very small  
Underneath the universe

And you know that I'm gonna be the one who'll be there  
When you need someone to depend upon

When tomorrow comes  
Wait 'til tomorrow comes, yeah, yeah  
When tomorrow comes  
Wait 'til tomorrow comes, yeah, yeah

When tomorrow comes

Wait 'til tomorrow comes, yeah, yeah  
When tomorrow comes  
Wait 'til tomorrow comes, yeah, yeah

And you know that I'm gonna be the one who'll be there  
When you need someone to depend upon

When tomorrow comes  
Wait 'til tomorrow comes, yeah, yeah  
When tomorrow comes  
Wait 'til tomorrow comes, yeah, yeah

When tomorrow comes  
Wait 'til tomorrow comes, yeah, yeah  
When tomorrow comes  
Wait 'til tomorrow comes, yeah, yeah

I can't wait 'til tomorrow, oh baby  
When tomorrow comes  
I'll be with you when tomorrow comes  
I'll be with you when tomorrow comes
