The party was jumpin'  
When Bertha got off o' her stump,  
The whistles were blowin'  
And everybody did the bump  
But all the time bertha  
Had been workin' on her goodie  
Now folks call it "the Bertha Butt boogie"

When Bertha Butt did her goodie  
She started the Bertha Butt boogie  
No question

When bertha got movin'  
Her hips were hummin' in the wind,  
The ground started shakin'  
No grass grew where she'd been!  
The music was poppin',  
The crowd had formed a ring,  
Her sisters yelled, "boogie, bertha, do your thing!"

Uh, for your information,  
Bertha had three sisters,  
Betty Butt, Bella Butt and Bathsheba Butt

When Bertha Butt did her goodie  
She started the bertha butt boogie  
I said no question!

Hey, leroy, get away from that woman!  
The boy'll never learn!  
Uh-oh, here comes the troglodyte!  
"Come here, sock it to me!"

Bertha stood back and yelled,  
"Betty, Bella, Bathsheba!"  
And the butt sisters backed her up  
When she yelled, "i need ya!"  
The troglodyte, leroy, luther  
And the butt sisters all knew  
That "the bertha butt boogie"  
Was now the thing to do

When Bertha Butt did her goodie  
She started the Bertha Butt boogie  
No question

Bertha: "i'll sock it ya, daddy!"  
Troglodyte: "me like, me like! come here, woman,  
woman!"  
Leroy: "yo' mama, i'm calling you, man!"  
Troglodyte: "yeah - the boogie!"

When Bertha Butt did her goodie  
She started the Bertha Butt boogie

When Bertha Butt did her goodie  
She started the Bertha Butt boogie  
Hey Leroy!

When Bertha Butt did her goodie,  
She started the Bertha Butt boogie
