I'm thugged out...
Shit! For real!
Check it!

Muthafucka, I'm pizzy,
I came to play,
With my gun and my dizzy,

I live on my leaf,
I like to eat that shit too!
Step back bitch! While I take my poo,

I like to run around in the tree,
Look at that bird... It's gonna eat me!
FUCK THAT! I'll shoot him with my GAT!
Those fucka's step back, cap cap cap,

I can't breathe,
Check me out while I smoke my weed,
I'm thugged out...
Whoa, shit!

If I had a bike,
It would have mad peddles,
Cause I got fifty legs,
Holy shit!
Word...

Out on the street...
Sellin' my rocks,
If they don't got money,
They get a taste of my glock,

I like killin'! I like illin'!
Yo muthafucka I just be chillin'!
Cause I'm pizzy!
Step off my nuts!
