It's Valentines day again,  
Holding onto the wind... and you!  
It's Valentines day again...

Pass me that carrot...  
Or I'll fuckin' kill you!  
Pass me that carrot...  
Or I'll fuckin' kill you!

I'm hungry... ,  
Hungry like a tiger,

I wanna hold on to you,  
Really...  
Actually, I just wanna hold onto your butt,  
Shake it around...  
Shake it and make me cry...

It's Valentines day...  
It's Valentines day...

Pass me the carrot...  
Or I'll fuckin' kill you!
