Break me out of the hole
Where i waste away
Cause i've been taking the shit
That you always say
I'm gone, i'm moving on
I'm letting go
But you'll never say you're wrong
So wrong
Fake, taking my fate,
Ripping me away
I don't want to hear
Anything you say
Pushing me away,
Pushing me away
This is the end of demise
All the things that you say
Get inside my head
I try to make you think
That they've never been
I'm gone,
I'm moving on,
I letting go
This is the last time
You fuck whit me
X 6
But you never said you're Wrong
So wrong
Fake, taking my fate,
Ripping me away
I don't want to hear
Anything you say
Pushing me away,
Pushing me away
This is the end of demise
So letting go
Letting go
Fake, taking my fate,
Ripping me away
I don't want to hear
Anything you say
Pushing me away,
Pushing me away

This is the end
Of the things you're say
Taking my fate,
Ripping me away
This is the end
This is the end
You're say
Pushing me
You taking me
You fuck whit me
