Take a walk through my life,  
Through the broken glass, through the sands of time,  
Take a look in my eyes,  
You'll see a love that's blind.

Your words don't mean much to me anymore,  
Once they were all to a heart so pure,  
Once they held dreams,  
And they carried me away,  
Like a rose on water

Like a rose on water,  
Like a rose on water.

Take a walk through my heart,  
Where a rose should be there's a crown of thorns,  
From the cry of a child,  
There's a woman born.

My touch doesn't mean that much to you anymore,  
I'm reaching out for you but I can't be sure,  
Am I slipping through your hands?  
Or are you throwing me away?  
Like a rose on water

Be my shelter from the rain,  
Free the child again,

Whatcha gonna do when the rain comes down  
and the petals fall?

Be my shelter from the rain,  
Free the child again,  
Be my shelter from the rain,  
Free the child again.
