"Keep My Head"

Visit "[Keep My Head](#)" on MotoLyrics.com

i'm doing the best that i can everything is going to plan
if only i can keep my head tonight
so when i feel the hardship start i'll try not to take it to
heart
i only want to keep the end in sight

if only i can keep my head when everyone is losing
theirs
if only i can trust my heart when doubting minds are
everywhere
if i can keep my eyes in focus everything will turn out
fine

if only i can keep my head tonight

if only i can keep my head when everyone is losing
theirs
if only i can trust my heart when doubting minds are
everywhere
if i can keep my eyes in focus everything will turn out
fine
if only i can keep my head

i'm doing the best that i can everything is going to plan
if only i can keep my head tonight
