My heart says we've got something real

Can I trust the way I feel

'Cause my heart's been fooled before

Am I just seeing what I want to see

Or is it true, could you really be

(chorus)

Someone to have and hold

With all my heart and soul

I need to know, before I fall in love

Someone who'll stay around

Through all my ups and downs

Please tell me now, before I fall in love

I'm at the point of no return

So afraid of getting burned

But I want to take a chance

Please give me a reason to believe

Say, that you're the one

That you'll always be

(repeat chorus)

It's been so hard for me

To give m heart away

But I would give my everything

Just to have you say

(repeat chorus)

-Music & Lyrics by Dane DeViller
