chorus 1)

You can dance

You can jive

Having the time of your life

See that girl

Watch that scene

Diggin' the Dancing Queen

Friday night and the lights are low

Looking out for the place to go

Where they play the right music

Getting in the swing

You come in to look for a King

Anybody could be that guy

Night is young and the music's high

With a bit of rock music

Everything is fine

You're in the mood for a dance

And when you get the chance

(chorus 2)

You are the Dancing Queen

Young and sweet

Only seventeen

Dancing Queen

Feel the beat

From the tambourine

(repeat chorus 1)

You're a teaser

You turn 'em on

Leave 'em burning and then you're gone

Looking out for another

Anyone will do

You're in the mood for a dance

And when you get the chance

(repeat chorus 2)

(repeat chorus 1)
