Do you want my love  
Can you make me sweat  
Do you want it bad enough  
To take all you can get  
Do you want my love  
Show me just how much  
Tell me baby...  
Baby, if you took my love  
Would you make the best of every moment  
If it takes all night  
Baby, would it be alright  
Would you like to spend the hours groovin'  
Til the mornin' light  
Love just comes if you let it  
I'll be here to satisfy you  
You look so good I can't deny it  
If you're up to it, come and get it  
If you're ready baby, give it up  
Boy it time to show me, show me how much  
(chorus)  
Do you want my love

Can you make me sweat

Do you want it bad enough

To take all you can get

Do you want my love

Show me just how much

Tell me baby

Do ya, do ya, do you want my love

Can you handle my desires

Can you tell me what I'm thinking baby

Can you read my mind

Baby will you go the extra mile

Will you vow to hold me tight

Till were right, turn me on and on and on and on

Love just comes if you let it

I'll be here to satisfy you

You look so good I can't deny it

If you're up to it, come and get it

Are you ready baby, give it up

Boy it's time to show me, show me how much

(repeat chorus)

Do you want my love

Do you need it

My baby tell me if you want it

Tell me do you need it

Baby do you want it

Do you want it baby

Tell me that you need it

Do you want it

My baby, do you want it baby

I need it I want it

Do you want my love
