When every moment gets too hard
The end of the road can feel so far
No matter how much time we're apart
I'll always need you
I'll be the shelter in your rain
Help you to find your smile again
I'll make you laugh if you have a broken heart
Wherever you are
Chorus:
'Cause I'm never gonna walk away
If the walls come down some day
All alone when you feel afraid
I'll be there when you call my name
You can always depend on me
I believe until forever ends
I will be your friend
So many people come and go
Nothing can change the you I know
You'll never be just a face in the crowd
And time will show
Through the seasons and the years

I will always hold you dear

Never you fear

Chorus

Bridge:

I'll be around when every candle burns down low

And I want you to know...

'Cause never gonna walk away

If the walls come down some day

All alone when you feel afraid

I'll be there when you call my name

You can always depend on me

I believe until forever ends

I will be your friend
