Look at me

You may think you see who I really am

But you'll never know me

Everyday it's as if I play a part

Now I see

If I wear a mask I can fool the world

But I cannot fool my heart

Who is that girl I see

Staring straight back at me

When will my reflection show

Who I am inside

I am now

In a world where I have to hide my heart

And what I believe in

But somehow

I will show the world what's inside my heart

And be loved for who I am

Who is that girl I see

Staring straight back at me

Why is my reflection someone I don't know

Must I pretend that I'm

Someone else for all time
When will my reflection show
Who I am inside
There's a heart that must be free to fly
That burns with a need to know the reason why
Why must we all conceal
What we think How we feel
Must there be a secret me I'm forced to hide
I won't pretend that I'm
Someone else for all time
When will my reflection show
Who I am inside
When will my reflection show
Who I am inside
