I wanna feel this way longer than time.

I wanna know your dreams and make them mine.

I wanna change the world, only for you.

All the impossible, I wanna do.

I wanna hold you close under the rain.

I wanna kiss your smile and feel your pain.

I know what's beautiful, looking at you.

Here in a world of lies, you are the true.

And baby

Everytime you touch me, I become a hero.

I'll make you safe no matter where you are

And bring you anything you ask for, nothing is above
me,

I'm shining like a candle in the dark

When you tell me that you love me.

I wanna make you see just what I was,

Show you the loneliness, and what it does.

You walked into my life to stop my tears

Everything's easy now I have you here.

And baby

Everytime you touch me, I become a hero.

I'll make you safe no matter where you are

And bring you anything you ask for, nothing is above
me,

I'm shining like a candle in the dark

When you tell me that you love me.

In a world without you,

I would always hunger,

All I need is your love to make me stronger.

And baby

Everytime you touch me, I become a hero.

I'll make you safe no matter where you are

And bring you anything you ask for, nothing is above
me,

I'm shining like a candle in the dark

When you tell me that you love me.
