love everywhere,
exploding, maims and blinds,
a living dance upon dead minds,
love everywhere,
exploding, maims and blinds,
a living dance upon dead minds

but surely does not forget(perish),
sleep, cannot be photographed(measured);
disdains the trivial labeling of punctual brains,
but surely does not forget(perish),
sleep, cannot be photographed(measured);
disdains the trivial labeling of punctual brains,

why its love;
but at the earliest spear
of sun
perfectly should disappear
who wields a poem huger than the grave?
who wields a poem huger than the grave?
who wields a poem huger than the grave?

who wields a poem huger than the grave?
but surely does not forget(perish),
sleep, cannot be photographed(measured);
disdains the trivial labeling of punctual brains,
but surely does not forget(perish),
sleep, cannot be photographed(measured);
disdains the trivial labeling of punctual brains,
[bridge into exit for song]
but surely does not forget(perish),
sleep, cannot be photographed(measured);
disdains the trivial labeling of punctual brains,
but surely does not forget(perish),
sleep, cannot be photographed(measured);
disdains the trivial labeling of punctual brains,
