Mix the chemicals right, dear
Mix the chemicals right
Got the margin of error is slight

Mix the chemicals right, dear
Mix the chemicals right
Yeah, you know that you could save my life

There is a risk
There's a risk when your dealing with love
You could snap my neck
Any speed you drive can be dangerous

Mix the chemicals right, dear
Mix the chemicals right
Yeah, you know there's a fine line between

Mix the chemicals right, dear
Mix the chemicals right
'Cause I know what betrayal can mean

When this frame fails me
Will I trust you to carry me through?
I know there's no such thing as safety
But I know what a promise can do

Will I trust you?
Will I trust you to carry me through?
I will trust you
'Cause I know what a promise can do
