I'm like a ring tailed monkey, a-hangin' from a bamboo tree

I'm like a native in the jungle, as restless as I can be

And if I hear you stalkin' through the grass

I wanna get a message to you fast

I'm gonna pick up a log and a-beat out my love for you

I'm like an apeman Tarzan swingin' from a long great vine

And I'm a-lookin' for you, so that I can make you mine

I would climb on a tree, so good and high

Then let out with that Tarzan cry

Then I pick up a log and a-beat out my love for you

All right!

Well, now that I'm in the jungle, I'll do as the natives do

I'll do things their way and act like it's nothing new

And if I see you sittin' in a cool glade

I'm gonna make the loudest sound ever made

'Cause I'm gonna pick up a log and a-beat out my love for you

Well, I'm gonna pick up a log and a-beat out my love for you

Yeah, beat out my love for you

Oh, yeah-yeah-yeah, honey you know

I'm gonna beat out my love for you
