Baby needs a brand new dress
But my bank accounts in a mess
Baby needs some new red shoes
But I got them broke man blues,
All my moneys done been spent
I aint got not one red cent
I'll put it on tha card
Yeah, I'll put it on tha card!
Going to California to live tha good life
Take my little sugar , an' I'll make her my wife
Aint got no money but my credits good
Use my card all over tha 'hood,
Yeah, put it on tha card,
I'll just put it on tha card
