you ready?

uh oh uh oh uh oh oh no no (x4)

i look and stare so deep in your eyes,
i touch on more and more every time.
when u leave im begging you not to go,
call your name 2,3 times in a row

sucha funny thing for me to try and explain
how im feeling and my pride is the one to blame
coz i know i dont understand
just i can love ya doing no one else can

got me looking so crazy right now
your loves got me looking so crazy right now
got me looking so crazy right now
your touch got me looking so crazy right now
got me hoping ya page me right now
ya kiss got me hoping ya save me right now
looking so crazy your loves got me looking
got me looking so crazy in love

uh oh uh oh uh oh oh no no (x4)

when i talk to my friends so quitely
(who he think he is?)
look at what ya did to me
tennis shoes dont even need to buy a new dress
if u aint there aint nobody else to impress
its the way that you know what i thought i knew
its the beat that my heart skips when im with you
but i still dont understand
just i can love your doing no one else can

got me looking so crazy right now
your loves got me looking so crazy right now
got me looking so crazy right now
your touch got me looking so crazy right now
got me hoping ya page me right now
ya kiss got me hoping ya save me right now
looking so crazy your loves got me looking

got me looking so crazy in love

im looking so crazy your loves got me looking
got me looking so crazy in love
